(Merge into single row with "Professor" in first column and "Since 2013" in second column)

5. Incomplete Conference Entry

Location: Conference Participation table, near the end (after July 2025 Brazil entry) **Issue:** Orphaned row with only Cologne, Germany and empty date/name columns **Fix:** Either complete this entry with proper date and conference name, or remove if duplicate (there's already a December 2025 Cologne entry in Invited Presentations)
